Trinity Church of England High School was opened in 1984 with the foundation motto of *"Faith in the City, Value in People, Excellence in Education"*.

Today, over thirty years on, Trinity is an outstanding place of learning, promoting the education of students in a community which is positively Christian but welcomes the children of parents of other faiths.

Trinity quickly established itself as a popular school serving the City of Manchester and districts beyond. Its

teachers, support staff and students worked to create a school with a distinctive atmosphere, both demanding and caring, which reflects the hopes that parents have for their children. This outlook contributed towards the genuine sense of partnership between home and school and has, in turn, helped to provide feelings of security, structure, happiness and well-being.

Located adjacent to Manchester University, Manchester Metropolitan University, Manchester Museum, the Science Park and the Royal Northern College of Music, we are easily accessible from all parts of the city and are close to the many amenities of the city centre. We make good use of our proximity to both universities, theatres, galleries, museum, the RNCM, the Aquatics Centre and Sports City.

The school's excellent sports facilities comprise a sports hall, fitness suite, gymnasium, dance studio, full-size floodlit artificial pitch and floodlit 3G multi-sport courts. The sports centre assists our links with the community.

School departments are well resourced and this has enabled us to combine the best of tradition with innovative practice. We seek to develop a breadth of experience so that, for example, our science, technology and mathematics are well balanced by artistic, linguistic, aesthetic, creative, moral and spiritual activities. Special attention is paid to developing the capacity of students to study independently and co-operatively.

Students joining Trinity from primary school are selected from various religious

traditions in given proportions in order to maintain the Christian character and Anglican distinctiveness of the school. At the same time, we encourage and promote a tolerant understanding of different religious beliefs and cultures.

Trinity's most recent full Ofsted Inspection took place in January 2014, and we were judged to be '*Outstanding*' in all categories and '*Outstanding for overall effectiveness*'. The most recent National Society (Anglican) Inspection, in June 2016, assessed Trinity '*Outstanding*' in every category and '*Outstanding*' overall. Also in 2016, we achieved two further accolades: Full International School and Teaching School status.

Trinity recently benefited from a £21.5 million Wave 4 BSF Buildings & ICT Investment, which comprised an 80% rebuild and 15% modernisation. Work was completed in the summer of 2011 and the new school was formally opened by the Archbishop of York in September 2011. We became a converter academy the following year. Trinity is now able to offer an outstanding 21st century education to its 1300 students.

The latest capital development, the £3 million brand new Trinity Sixth Form Centre, opened in September 2016, and will have a capacity of 240 students, eventually taking the school student population up to 1460. Following the opening of the Sixth Form, we had a one day OFSTED inspection in October 2017, and we received confirmation that the school continues to be 'outstanding', including the Sixth Form.

In conclusion, our overall aim is "*To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world.*"

Job Description for the Post of:

Assistant Cook

Introduction

Job descriptions have been written to help produce an effective school. They are written statements of what the jobs involve, what staff are expected to do and the responsibilities involved in the jobs. They thereby provide a basic framework for the discharging of professional and managerial responsibilities. These basic frameworks provide a means by which job-holders and persons assuming the responsibility for the job-holders can mutually discuss the nature of the job.

Job descriptions also allow others in the school to understand what the jobs entail. They are not meant to be static or exclusive; rather, the nature of a school environment means that flexibility in jobs is desirable and inevitable. It is the spirit in which jobs are performed which is important to an effective school.
