Sixth Form Open Evening

Last Wednesday, we welcomed prospective Year 12 students, for admission in September 2020, to our annual Sixth Form Open Evening. We were delighted to meet over 200 visitors from both our existing Year 11s and from other local high schools. The prospective sixth formers toured our excellent facilities and had the opportunity to talk to staff and our ‘Sixth Form ambassadors’ about an array of topics such as course content, enrichment opportunities and study periods. Our Head Boy and Head Girl, Luke and Iram, and their deputies, Sandalia and Jeffin, (pictured above) led a ‘Q&A’ session during the evening, which was a great aid in helping students to understand what life is like as a Trinity Sixth Form student. More photos from the evening can be seen inside.

Science in the Sixth Form

The sciences are amongst the most popular subjects in our Sixth Form, and our students benefit from lessons being taught in our high-tech laboratories. Our close proximity to the universities also means that we can develop great links, such as the 'Physiology Friday' session delivered by the University of Manchester last Friday - more details next week!

Sporting News

Mr Bryan, our P.E assistant, tells us all the latest sporting news:

“Once again another busy week for our sporting students.

- Our Year 11 netball team had a great start to the season, winning both of their games.
- In handball, the under 15s boys’ team won 3 games and drew 1 game in their first games of the year.
- Our Year 11 boys’ football team (photo on the right) displayed resilience and hard work to defeat a strong William Hulme team 3 - 2, with a last minute goal from Ejike sealing the win!

- The Year 8 boys worked hard to get the win against Lymm 2 - 1 in the National Football Cup. Anjola was player of the match, scoring the winning goal into the top corner from outside the box.

- A fantastic effort from the KS4 badminton girls who came away with a silver medal after winning all group matches, but lost out 2 - 3 in the final.
- The under 14s girls’ basketball team (photo on the left) were back in action against Levenshulme. We scored early and put in a great team performance winning 72 - 11 with all girls playing equal minutes.”
