KS5 Performance Tables

At the end of January, KS5 tables for 2019 were published on the Department for Education's website. We were delighted with our 2019 KS5 outcomes and are pleased to announce how favourably the Trinity Sixth Form results were compared to both local and national averages. We have stated in our Sixth Form publicity that we want 'hard working and ambitious' students to stay with us, and the data in the above table demonstrates the success of this statement in attracting successful students.

Supportive Year 11 Pastoral Team

Over the last few weeks, daily 'breakfast meetings' have been held amongst members of our 'supportive Year 11 pastoral team', shown below. In the meetings, every Year 11 student was discussed, with the conversation centred around behaviour and attitudes, mock exam results, estimated grades, Sixth Form choices, attendance and punctuality. These meetings enabled the school to identify the support and interventions needed for each individual student, so that they can make progress and be as successful as possible in their forthcoming GCSE examinations.

Individual letters of encouragement were sent home to our Year 11s about their progress in school and the need to continue their hard work in school and at home. On Wednesday, Head of KS4, Mr Cann, led a special assembly which highlighted the support being put in place for students in the lead up to the exam period.

Careers Fair

From Head of KS4, Mr Cann:

“Last Tuesday, we hosted a whole school ‘Careers Fair’ in the Sports Centre for every student in Years 7 to 11. The school recognises that a meaningful encounter with an employer helps motivation in school. Employers from a range of sectors such as engineering, games development, finance, charity work and the arts were in attendance as well as a host of universities and apprenticeship providers. We also had a stall run by Trinity staff focused on the teaching profession. Students had ample time to speak to a wide range of employers and the feedback we have received from these volunteers are that our students were highly engaged in the event and an asset to Trinity.”

Holocaust Memorial Day Assemblies

Last week, Deputy Head, Mr Westmoreland, led assemblies to mark Holocaust Memorial Day and the 75th Anniversary of the Liberation of Auschwitz. Mr Westmoreland was ably assisted in the assemblies by two of our Sixth Formers, Imogen and Lara, who travelled to Auschwitz in November, 2019, with the Holocaust Education Trust.

National Cycle Racing Event

Congratulations to Year 8 student Florence, who competed in the 'Icebreakers Track Cycling Event' at the end of last month. The prestigious event was held at the Geraint Thomas National Velodrome in Newport.

For 2019, despite Florence being in the first year of her age category, she was ranked 41st in the country by British Cycling - well done Florence!

And Finally...

...last Thursday, our Sports Centre played host to our Year 9 parents' evening. We were delighted to welcome 87% of parents, and productive conversations took place about the progress of students and their option subjects for Years 10 and 11.
