HEAD: Julian R. Nicholls B.Sc, M.A

22nd May, 2020

Dear Year 6 Student and Parents/Carers,

We are delighted that you will be joining Trinity as a Year 7 student in the 2020 intake. You will have a lot of questions about what your transition to Trinity is going to look like. The reality is that it is unlikely we will be able to run our usual induction days or have any face to face contact this term. However, we will make sure that we do as much as possible to support you through the whole transition process and we are already talking to your primary schools.

After Half Term, we will be sending you a letter that has weekly activities for you to do in preparation for September. In the meantime, we have created a special section on our website called Transition. The web address to take you straight there is <https://www.trinityhigh.com/transition/> Over the next few weeks, different tasks and information will be added to this page.

What can you do now?

- Fill out and submit the 'My One Page Profile'. This is where you can tell us what you would like your teachers at Trinity to know about you. (If you don't have access to a computer then you can always make your own information page to send into us. We want to know about your interests, what you are good at, what you might find difficult, what subjects you enjoy and anything else you want to share with us about yourself).
- Have a look at the science preparation for Year 7 link.
- Have a look at the websites on the transition page.

Look out for the further information that will be sent to you at the end of the first week after Half Term.

If you have any questions then please email [s.brooks@trinityhigh.com](mailto:s.brooks@trinityhigh.com)

Take care of yourselves.
