## Sixth Form Virtual Tour

Last Wednesday, the Trinity Sixth Form was launched with our Year 11 students in special assemblies led by our Head of Sixth Form, Ms Tattum. Students received a copy of our new prospectus and heard all about the jewel in the crown of Trinity - our sixth form provision, which provides a gateway to top universities, modern apprenticeships and exciting enrichment opportunities. The Sixth Form virtual tour is now LIVE on the Sixth Form website, and you can access a welcome video, 24 video tours of our departments, former student testimonials and an online application form for September, 2021.

Why not take a look at our new prospectus? It showcases everything that our outstanding Sixth Form has on offer! You can download a digital copy from the 'virtual tour' page on the Sixth Form website.

A message from Ms Tattum to our Year 11s and other students - remember, it's never too early for our younger students to set their sights on joining the Sixth Form in the future!

## **Examinations in 2021**

Following the announcement from the government earlier this week, it has been confirmed that most GCSE, AS and A level exams will be held three weeks later than planned in 2021 to help address the disruption caused by the pandemic. The summer exam season will begin on 7th June, 2021 and end on 2nd July, 2021, for almost all GCSEs, AS and A levels. The dates for the results days are as follows:

- **Tuesday, 24th August, 2021** - AS and A level results day.
- **Friday, 27th August, 2021** - GCSE results day.

## Black History Month Assemblies

Last week's Black History Month assembly was led by Pastoral Tutor, Mr Dennis, accompanied by Angelina and Malika (Year 10) and Dara (Year 11). They explored how black history has helped to shape the history of all countries in some way, racism and the black lives matter movement. The assembly then linked these issues to our work as 'children of god' and to treat others as we would like to be treated.

## World Mental Health Day

Last Friday, our Sixth Form came together for #helloyellow to support young people's mental health on World Mental Health Day.

## Writing in a Pandemic

Congratulations to Year 11 student, Winston, who was recently named as one of the winners of 'writing in a pandemic', organised by the University of Manchester. Students were given an opportunity to submit a form of creative writing, from letters, to poems, to short stories. Over 200 submissions were made and then judged by a panel of professional writers, led by the Professor of Poetry and Director of the Centre for New Writing at the university.

Winston submitted an excellent poem and it was judged to be among the top 15 entries! He received a certificate and a book voucher, and his poem has been published in the university's online arts journal, 'The Manchester Review'. You can access the poem online using the below web address - can you guess what it's about before you get to the end?
