SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Open Mornings and Open Evening

We are delighted to welcome Year 5 and 6 students and their parents to our open morning tours and annual open evening. The tours are taking place every **Tuesday, Wednesday and Thursday morning, from 9.15am - 10.45am until Thursday, 21st October**. They are a great opportunity to see the school in action during the working day. The tours will be led by either myself, Ms Baxendale (Head of KS3) or Ms Brooks (Head of Transition). Please e-mail admissions@trinityhigh.com or call **0161 212 1900** to book a place. Our Open Evening for both the main school and Sixth Form which will also take place on **Thursday, 30th September, from 6.00pm - 8.30pm**. There is no need to book a place and we look forward to showing you around our outstanding school.

Open Evening Car Parking

As both our main school and Sixth Form Open Evenings will be taking place on Thursday, 30th September, we are expecting our car park to be very busy. Alternative parking for the event can be found in the University of Manchester car park in front of the main entrance of the school (accessed from Higher Cambridge Street).

North End Extension

In recent months, there has been lots of work behind the scenes planning and tendering for our 'North End Extension' to the Temple building. The extension will house an additional six classrooms - two on each floor - are we are excited to expand our facilities in order to improve the teaching and learning environment for our staff and students.

Following approval from our governing board, we appointed John Turner at the end of July, 2021, and they started work on site during the summer holidays, in order to cause as little disruption as possible during the working day of the school.

The below artist's impression illustrates how the project will look upon completion.

Health and safety briefings have been given to students about the building work taking place and full risk assessments have been carried out. The below photos shows the current state of the project and we look forward to bringing you updates throughout the term.

Scene Setting Videos

If you haven't already done so, please make sure you take a look at our Scene Setting videos for 2021/22 - there is one for all parents and an additional one tailored for individual year groups.

Assemblies

Our first 'in person' assemblies took place last week and it was great to have our different year groups gathered together to take part in collective worship. Important messages for the year ahead were also given to students and the assemblies concluded with the Lord's Prayer.

And Finally...

...as you will have read on the front page, our Open Evening is taking place on **Thursday, 30th September**. In order for the school to prepare for this event, there will be an **early closure** of the school with all students finishing school at **2.05pm**.

The school will also be **closed to students all day on Friday, 1st October, 2021**, as this is an INSET day for staff.
